

Ohio ACTE
CAREER GUIDE
Certificate Program

Administrators, teachers, and counselors will learn their role in ensuring students obtain effective career advising!

Ohio's required Career Advising Policy states that every student in grades 6-12 should receive career counseling. This online course (with just one required school tour) has been designed for ADMINISTRATORS, COUNSELORS AND TEACHERS to learn more about Ohio's Career Advising Policy, career counseling, the current labor market, post-secondary education and training options, making business connections, and utilizing free available state resources to meet policy requirements.
